Assignment 02

Analogy & Sentence Completion Practice Assignment 02

Directions for questions 1 to 10: The passage given below contains blanks, each one of which has been numbered. These numbers are printed below the passage and against each, four choices have been suggested, one of which fits the blank most appropriately. Find the best choice in each case and mark your answer accordingly.

But in this mad ____1____ to buy the best their money can afford, home buyers are losing sight of what they actually ____2____ and what they are ____ 3____. Many amenities that are considered value-additions, and which drive up prices, are in fact off-the-shelf locally manufactured products. That's why there is ____4____ of having a real estate regulator on the lines of SEBI. ____5____ that happens, the ____6____ of making an informed choice ____7____ with the home buyer. So how does one judge the ____8____ of the "premium" tag? Sure, the choice of location can make the biggest difference to the price of a house. Even the most ____9____ apartment in Mumbai's Malabar Hills or Delhi's VasantVihar will command a premium over a comparable flat in Andheri East or Mayur Vihar. But what explains the huge price ____ 10____ between apartments within the same locality?

Analogy & Sentence Completion Practice Assignment 02 – Answer Key

S. No.	Key	Answers and Explanations
1.	1	The key word here is 'mad' and hence 'rush' to buy houses.
2.	2	The key words are 'losing sight' & 'actually', on what they are getting.
3.	1	and what they are paying
4.	3	Because of the discrepancy in the system 'talk', means requirement/need of the regulator or controller is there.
5.	4	Till the reform/change does not happen, therefore 'until'
6.	4	Since there is no regulator in place therefore the responsibility or onus of buying the right house lies on the buyers
7.	1	Since there is no regulator in place therefore the responsibility or onus of buying the right house lies on the buyers
8.	1	Next big question haunting is 'how to judge the worth of the premium

9.	1	As choice of location can make the biggest difference so ordinary house at good location will cost more than the comparable house at normal locations.
10.	4	The context says 'huge price differential' within the same locality.
